

Proudly Presents
Our 15th Annual Mid-Atlantic
Virtual Grants Conference
Friday, May 21, 2021

The New Jersey Chapter of the Grant Professionals Association (NJGPA) is respectfully asking for your sponsorship support our 15th Annual Mid-Atlantic Virtual Grants Conference on Friday, May 21, 2021. By partnering with us as a sponsor, you are distinguishing your organization as an expert in your field within the greater philanthropic, private, and public funding communities.

The NJGPA was established in 2006 and exists to serve as a leading authority and resource for Grantsmanship within all sectors of the nonprofit industry, to advance the grant field, and promote professional growth and development. Our conferences bring together a community of grant professionals who actively research, apply for, and manage grants for recipient organizations while practicing the highest ethical and professional standards, demonstrating *Grantmanship Excellence*, and are serving the greater public good.

I have included a Sponsorship Package with different levels of support for your review. Please note, we are also looking for giveaways for our attendees. This is a great marketing opportunity for your organization since we expect an attendance of over two hundred (200+) people! Your sponsorship commitment will help facilitate meaningful connections and promote positive relationships between grant professionals and their stakeholders.

If you should need additional information or have any questions, I can be reached at the contact information below. I look forward to being of assistance and seeing you at the 15th Annual Mid-Atlantic Virtual Grants Conference. Any level of support given is greatly appreciated! Thank you for your prompt consideration.

Sincerely,

Linda A. Rossi, GPC
